

Harbour
INDUSTRIES
High Performance Wire & Cable

July 29, 2010

Harbour Industries in Shelburne, Vermont has production positions currently available on 2nd and 3rd shift. We are seeking experienced and inexperienced full-time machine operators to work in a team environment and a drug free work place.

Candidates must be at least 18 years of age, pass a drug test, basic math test and have a High School diploma or equivalent. Starting wage is \$11.00/hr plus shift differential of up to \$1.25/hr. We pay prevailing wage for specific wire and cable skills and years of relevant experience.

Harbour Industries offers an excellent benefit package that includes medical, dental, 401 (k), vision, a variety of performance incentive compensation programs and more! Please send resume to ehath@harbourind.com or stop by for an application at Harbour Industries LLC, 4744 Shelburne Road, Shelburne, VT 05482. EOE
